Office Memorandum

Subject: First Credit of pension on the basis of e-PPO into the account of the pensioner/family pensioner followed by subsequent verification with physical PPOs

Attention is invited to CPAO's OM No. 13012(12)/3/2021-IT Technical/40 dated 12.07.2021 (copy enclosed) wherein all the Heads of the CPPCs of Authorised Banks were directed to ensure that the credit of the first pension into the account of pensioner/family pensioner is carried out immediately on the basis of e-PPO and e-SSA received from the CPAO. On the receipt of the physical booklet and related documents, the CPPCs would verify the details and if any difference are found between the e-PPO and manual PPO, the same should be intimated to CC(P), CPAO within a month for necessary corrective action.

It is observed that the banks are not following the CPAO's OM dated 12.07.2021 which is causing hardship to the pensioners/family pensioners. It is once again directed to diligently follow CPAO's instructions and credit the first pension on the receipt of the e-PPO.

This issues with the approval of the Chief Controller (Pensions).

The physical PPO booklet and related documents will continue to be sent to CPPCs until further orders. On receipt of the same, the CPPC of Banks will verify the details and if any differences are found between the e-PPO and manual PPO, the same should be intimated to CCP, CPAO within a month for necessary corrective action.

3. It may also be ensured that the e-Scroll for all payments of pension made is submitted the same day to CPAO while intimating RBI.
